“Building Responsible Citizens for a Better Tomorrow”

Prashant Tripathi
Manager

I believe that success follows those who follow their heart, however the environment around us isn't always suited for nurturing our passions, keeping individuals from realising their true potential. The focus at RSGS is to offer all round developments to students, giving them a nurturing environment with sufficient exposure. With the power of 7 constantly being imbibed in academics, sports, extra-curricular and within the dorms, we ensure that the students imbibe these essential 7 quality, which not only help students realise their passion but equip them to achieving it in an efficient and ethical manner.

Being a sports person, I have realized the true value of lessons learnt outside the bounds of a classroom. At RSGS we go beyond and ensure that our students get the best of indoor and outdoor training, moulding them to think critically, synthesise knowledge and reflect on their own thought processes.

Through this we ensure that our students excel not only within the education system but in the real world as well, allowing our students to "Arise, Awake, and Ascend"

ADMISSION PROCEDURE

RSGS is an independent school and admissions are at the discretion of the Principal and the Management, in line with the educational policy.

Admission to RSGS is open to all without any distinction of caste, creed, colour or religion. Assessment for admission is normally by informal interaction conducted between the Principal, student, both parents and caretakers. The interaction is conducted in a way that demonstrates the prospective student's personality and capabilities. The school is committed to admit any child who clears the interaction, provided there is a vacancy. When there is no vacancy in the desired class, successful students will be placed on a waiting list and considered for the first available slot. Parents are advised to apply for admission at the earliest.

DAY SCHOOL

Our day boarding system makes the school unique in character by providing small class strength, value based learning, lateral thinking exercise, life skills development, unique curriculum, continuous professional development programmes for qualified and experienced teachers. This is followed by lunch with quality food giving impetus to etiquettes and table – manners followed by a wide spectrum of sports and co-curricular activities.

CURRICULUM

RS Global School academically ambitious curriculum incorporates some of the most advanced contemporary thinking in early childhood education including research on multiple intelligence.

RS Global School has a curriculum that is integrated. The curriculum is concept oriented rather than exam oriented. At RS Global School the curriculum is designed by viewing the overall development of a child. The class room is the nerve centre of the activities that are undertaken in shaping and grooming the leaders of tomorrow. The integrated curriculum not only concentrates on the academics but also on the quantitative development of every child.

The School is from Nursery to X and is affiliated to Central Board of Secondary Education – New Delhi (CBSE).

BEYOND ACADEMICS

R.S. Global School requires its students to participate in various school activities. Moreover, every student is required to play at least one team sport, during the year.

In addition to competitive athletics, other sports include, cricket, football, basketball, badminton, table tennis, equestrian, art, dance, music, drama and yoga.

Students with a demonstrated passion in an area outside our usual platform are allowed to specialise or may design a program, provided it meets the school policy criteria. Across all our programs, we encourage student involvement, growth, and teamwork. All this spells an active and bustling student body.

Activities And Creative Expression

Music and dance is an integral part of the curriculum where our students have the opportunity to pursue instrumental and vocal music and/or any dance form.

Theater And Dramatics

Students are encouraged to develop their public speaking and dramatic skills through elocution, debates, school plays and theatre.

Art And Craft

To bring out creativity, curiosity and the power of imagination, students shall participate in a host of art and craft projects, explore their creative talents through a variety of mediums that include clay, fabric, sand, paint, paper etc...

Journalism And Photography

Students are enabled to acquire basic skills in reporting, interviewing, editing and photography.

School Events

Parents and other members of the community are invited to witness a host of events showcasing the diverse talents of our students that feature regularly in our school calendar.

Boarding

Residential life helps the school community recognise the uniqueness of each individual and enables its members to synergise in an enriching manner. Boarders grow in self – reliance and develop independent living skills in stimulated surroundings. They learn to identify and respond to their own needs to feed for themselves and to collaborate with each other. They develop a spirit of camaraderie in an atmosphere of openness and learn to take responsibility for their own decisions.

SIS students will get the opportunity to cultivate Indian culture as well as grow sensitive to the manners and students from different states and countries.

Medical Facility

A fully equipped infirmary is set up to provide medical care. Besides we have a capable Doctor as Dr. Anwar who is very prolific in his field just nearby in the Mansoorabad market for an emergency. Apart from it A medical camp is organised yearly in our campus by expert Doctors of Allahabad.
